Mr. Pearson called the meeting to order at 11:09 a.m.

**Agenda Item 1 – Review of prior month’s minutes** – Mr. Pearson opened the meeting by asking if there were any questions or concerns regarding last month’s meeting minutes. No members commented or expressed concerns.

## **Agenda Item 2 - Miscellaneous items/New item numbers**

- **New SCJPC Website Launched 11/22/2024**

Mr. Pearson provided a recap of last month's meeting. He reported that the website backend had initially been complicated to use, requiring several back-and-forth interactions with Ms. Pranata. However, the implementation of a "What You See Is What You Get" (WYSIWYG) editing interface had simplified the editing process. He asked whether Ms. Pranata was comfortable managing website updates. Ms. Pranata confirmed that while she was still learning, she could update the site as needed and had ongoing support from Accurate Digital Solutions.

Mr. Pearson also announced that the new website officially launched in late November. Members should continue using the same URL, scjpc.net, and their existing login credentials. He encouraged all members to log in and verify that their contact information, emergency details, and pole markings had been correctly transferred from the old site. He reminded members to contact Ms. Pranata if they encountered any access issues.

- **Pole Records anchor information**

Ms. LaFrenais inquired about anchor information on a pole record being cut off when viewed. She asked whether the field could be expanded or the character limit increased. Ms. Pranata requested an example, including a specific pole number, for investigation. Ms. LaFrenais agreed to provide an example for review.

- Mr. Pearson asked if there were any other miscellaneous items. There were no additional items.

## **Agenda Item 3 - Review of Action Items**

- Ms. LaFrenais to send an example of a pole record with truncated anchor information to Ms. Pranata for further investigation.

The meeting adjourned at 11:13 a.m. until February 19, 2025.
